The background of the entire page is a high-quality photograph of a coastal scene. At the top, rugged, golden-brown rock formations rise from the sea. The water is a deep, vibrant blue. Below the rocks, the water transitions to a clear, turquoise green, revealing a rocky seabed. In the lower portion of the image, a small white motorboat with a black outboard engine is moving across the water, leaving a white wake. Several people are visible on board. The overall atmosphere is one of a beautiful, secluded maritime location.
